Other benefits of IQVIA Participant Payments

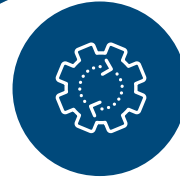

Stipend and micro-payment innovation

- Payments enabled via API integration for seamless connection to data sources
- Stipend and/or micro-payment triggers delivery in real-time
- Prompt payment delivery anytime, including in-between study visits

US tax support

- Participant app provides W-9 collection and Taxpayer Identification Number (TIN) validation
- Facilitated state and federal filing, including sponsor and/or site reporting functionality
- Option to offer payment as stipend or reimbursement

Receipt redaction

- Automatic redaction of Personally Identifiable Information (PII) from all receipts scanned by participants within the app
