

Partnership that Maximises Patient Access

IQVIA MAPA: Delivering evidence-led innovation to optimise the care pathway

Who are we?

IQVIA Market Access and Patient Activation (MAPA) is a value and access consultancy and delivery team specialising in enabling the UK healthcare system to implement the successful adoption of innovative therapies and technologies.

We work with you to ensure your assets achieve their true potential, supporting you at every step of your market access and patient activation journey, from strategy to delivery.
